

In Brazil, Picanha is the very best cut of meat, famed for its succulent texture and exceptional flavour. It's from this celebrated cut of meat that we take our name. Picanha by Fazenda fuses the traditional gaúcho style grilling and Rodizio dining with continuous tableside service of different prime cuts of meat, including beef, chicken, pork and lamb and a gourmet salad and sides bar to accompany your meats.

Let us know how you prefer your meat cooked; rare through to well done - we are happy to serve all our cuts to your taste.

All our meats are served as soon as they are ready, in no particular order by our gaúcho chefs, but please feel free to ask for your preferred cut to come out next.
